## 24x33 12mic, Liners HD Coreless Rolls, Natural

These liners are star sealed for added strength. Contains no color additives. Manufactured with 100% virgin high density polyethylene. Provided in cases.

---

**Material & Additives:** High-Density

## Specification Sheet

Item No: 2

### 30x37 16mic, Rhino-X Liners HD Natural

Rhino-X is a brand cleaning professionals can trust. Thinner, stronger HDPE films used to make Rhino-X liners mean less plastic waste going into incinerators or landfills. These liners are star sealed for added strength. Use wherever there is heavy, non-sharp waste. Provided in cases. Packed 25 bags/RL, 20 rolls/CS. P/N HR303716N

**Gauge:** Full **Material & Additives:** High-Density **Color:** Natural,Color

#### Specifications

**Material:** High-Density Polyethylene.

**Construction:** Starseal

**Shelf Life:** 1 year, when properly stored.

**Storage:** Store at temperatures less than 120 degrees F. Avoid storage in direct sunlight.

**Regulatory Status:** This product complies with California Proposition 65 and all applicable CONEG heavy metal restrictions.

## Specification Sheet

Item No: 3

### 38x60 16mic, Liners HD Coreless Rolls, Natural

These liners are star sealed for added strength. This item is manufactured with a natural color additive. Manufactured with 100% virgin high density polyethylene. You can see through this product in interior light. Provided in cases.

---

**Material & Additives:** High-Density **Color:** Natural,Tint

---

## 40x48 16mic, Liners HD Coreless Rolls, Natural

These liners are star sealed for added strength. This item is manufactured with a natural color additive. Manufactured with 100% virgin high density polyethylene. You can see through this product in interior light. Provided in cases.

---

**Material & Additives:** High-Density **Color:** Natural,Tint

## Specification Sheet

Item No: 5

### 24x33 11mic, Liners HD Coreless Rolls, Natural

These liners are star sealed for added strength. Contains a black color additive. Manufactured with 100% virgin high density polyethylene. You may or may not be able see through this item in interior light. Provided in cases.

**Material & Additives:** High-Density **Color:** Black,Color

## Specification Sheet

Item No: 6

### 40x48 12mic, Liners HD Coreless Rolls, Natural

These liners are star sealed for added strength. Contains a black color additive. Manufactured with 100% virgin high density polyethylene. You may or may not be able see through this item in interior light. Provided in cases.

**Material & Additives:** High-Density **Color:** Black,Color

## Specification Sheet

Item No: 7

### 24x23 12mic, Liners HD Coreless Rolls, Natural

These liners are star sealed for added strength. Contains a black color additive. Manufactured with 100% virgin high density polyethylene. You may or may not be able see through this item in interior light. Provided in cases.

---
