MEMORANDUM

A. "Pursuant to Louisiana R.S. 38:2212, Paragraph A.(b), the provisions and requirements of this bid shall not be considered as informalities and shall not be waived by the Rapides Parish Sheriff's Office."

The enactment of this measure requires that conditions and specifications on the bid form shall be strictly enforced and that alterations, deviations and non-compliance to said conditions and specifications shall not be allowed. Therefore, any alterations, deviation or non-compliance submitted with a bid, either on the bid form or by separate attachment, shall be grounds for immediate disqualification.

B. "Any bid submitted which contains unauthorized additions, conditions, alterations, or irregularities which make the proposal incomplete, indefinite or ambiguous as to its meaning, requiring clarification after the specified date and time of bid opening shall be automatically rejected.

The requirement specified in this paragraph is significant in that any information necessary as explanation of any portion of a bid AFTER the bid opening date and time must automatically disqualify the entire bid from being considered. Therefore, it is essential that bidder communicate with proper RPSO personnel prior to the bid opening aspect of the General Conditions and/or specifications that are unclear.

The Purchasing Department of the Rapides Parish Sheriff's Office pledges to take every means necessary to ensure that all bids are as concise and as articulate as possible, so that bidder shall not feel compelled to alter or deviate from the bid as specified. Personnel within the Purchasing Department shall also do everything possible to offer for consideration very distinct and understandable language within each bid, so that no post-bid clarification is necessary.

Therefore, it is of the utmost importance for each bidder to very carefully read each bid in its entirety to guarantee its submission of an accurate, proper, and compliant bid.

ROUTE READY BAR MOPS

FEATURED IMAGE: Gold Stripe Towel: RR-G32

Why waste time washing and counting bar mops? Route Ready bar mops are optically white and packed in bags of 25 so you never have to pre-wash or recount them prior to use. Typically, laundries save at least 70¢ per dozen by freeing washroom and finishing floor operators from a whole wash cycle, you gain production time to focus on other laundry room bottlenecks.
