RE: Terms and Conditions—Pandemic Stipulations

Dear Purchasing,

As we are all aware, over the past few years the Coronavirus has created a very large, unexpected market demand for many products. The global supply chain has been extremely challenged as the world learns to operate during the ongoing pandemic.

While the general economy has shown signs of some improvement, we observe inflationary pressures getting stronger. This does not appear to be a transitory event.

Now, supply chain bottlenecks have become visible, i.e. international transportation costs (ocean freight) and raw material have registered significant cost hikes. In addition, crude oil prices have firmed with further increases likely to prompt higher trucking costs soon. Currency exchange rates are fluctuating more, reflecting a gradually weaker external value of USD, thus raising purchase cost levels for many items.

Our company is making every effort to stay in close contact with our suppliers, ensuring that we are up to date with their situations. We are fulfilling all orders in a timely manner and will continue to be as transparent with product information as possible.

ICS Jail Supplies, Inc. will review pricing and availability throughout the duration of this contract and reserves the right to terminate with a 30 day notice at any time upon mutual agreement of both parties.

Thank you for your understanding and we hope all are remaining safe and healthy during these difficult times. Please do not hesitate to contact me with any questions or concerns.

Sincerely,

Jennifer Johnson
