ADDENDUM # 1

Bid Number: 50-00141915

Bid Opening Date: March 9, 2023

For: Two (2) Year Contract to Provide Traffic Safety Cones, Barrels and Barricades for the Jefferson Parish Department of Engineering – Traffic Engineering Division

Clarification This addendum is to respond to vendor question.

Question: Regarding the collars, please advise in they should be the adhesive backed collars, to be used as a replacement on the cones. The term "slip on" is a little confusing for me as this seems as though it should not be an adhesive cone collar as is standard.

Answer: Yes, the collars should have adhesive backing.

This addendum will not change the bid opening date.

Sincerely,

Mark Buttery
Buyer I
