RE: 50-00115918 CLASSROOM SUPPLY 2 YEAR

On behalf of School Specialty Inc., it is my pleasure to submit the enclosed bid response for your consideration.

The pricing will be valid **05/05/2016 through 05/4/2018**

Once you've awarded these bid items, save time and money by:

- ☒ Providing a copy of the **bid tabulation** (and/or a copy of awarded vendors). This allows us to set up your special pricing in advance of your orders and ensures you receive the best price possible on future bids.
- ☒ Referencing your School Specialty bid number **7780626381** on your orders. This ensures fast and efficient order entry and accurate pricing.
 - ❖ *Prices do not include sales tax. If applicable, taxes will be added to your invoice. All prices are FOB destination (free shipping)*

Remember, School Specialty is even easier to do business with. We've *simplified* access to all our products. One bid covers all your educational needs. *It's that simple!*

Thank you for your consideration.

Sincerely,

Gloria Hazlett
Bid Operations Coordinator

All Public Work Projects are required to use the Louisiana Uniform Public Work Bid Form

All prices must be held firm unless an escalation provision is requested in this bid. Jefferson Parish will allow one escalation during the term of the contract, which may not exceed the U.S. Bureau of Labor Statistics National Index for all Urban Consumers, unadjusted 12 month figure. The most recently published figure issued at the time an adjustment is requested will be used. A request must be made in writing by the vendor, and the escalation will only be applied to purchases made after the request is made.

Are you requesting an escalation provision?

YES _____ NO X _____MAXIMUM ESCALATION PERCENTAGE REQUESTED N/A %INITIAL BID PRICES WILL REMAIN FIRM THROUGH THE DATE OF 5/4/18

For the purposes of comparison of bids when an escalation provision is requested, Jefferson Parish will apply the maximum escalation percentage quoted by the bidder to the period to which it is applied in the bid. The initial price and the escalation will be used to calculate the total bid price. It will be assumed, for comparison of prices only, that an equal amount of material or labor is purchased each month throughout the entire contract.
