JOB NUMBER
55598319

DATE	ACTIVITY	QTY	RATE	AMOUNT
	Estimate to replace water heater.			
	Service location: Golden Age Center, 620 Herriage Avenue, Terrytown, La 70056			
	Service Department:Plumbing Repairs:Fixture Replacement / Installation	1	1,200.00	1,200.00
	With 2 techs on site, Turn off power and water supply to the water heater. Drain existing water heater and cut the pressure relief line, the cold water line, and the outgoing hot water line so the existing 50 gallon commercial electric water heater can be removed. Once removed, supply and install new commercial electric 50 gallon water heater, water supply lines and reconnect the pressure relief. After testing for leaks the electrical wires will be reconnected. Verify water heater is working as it should. 1 year warranty			
	Parts / Supplies	1	3,799.00	3,799.00
	Parts			
	Service Department:Other Services	1	0.00	0.00
	The above estimates are for what is able to be verified from an on-site visit. If conditions exist that are not listed in this estimate, additional charges may apply.			

Payment Terms:
 100% upon completion of job

I want to thank you for the opportunity that you have given us to supply you with an estimate for all of your plumbing needs. This is just a reminder that the terms and prices on the enclosed Estimate will be good for 30 days.

SUBTOTAL	4,999.00
TAX	0.00
TOTAL	\$4,999.00

Best regards,

THANK YOU.
