Ms. Evans:

The team at IBA LED LLC. appreciates the opportunity to provide you with this energy efficient LED lighting solution for Jefferson Parish. Our team is focused and dedicated to providing you with commercial industrial grade products delivered on time and within budget.

IBA is a proud member of Small, Women and Minority-Owned (SWAM) with over 20 years of industry experience. We put significant emphasis on working directly with our clients to ensure we are meeting necessary needs within the project scope. Our engineers work vigorously with our factories to secure the highest quality components for all IBA products. This provides our clients the peace-of-mind in knowing they are upgrading to the best commercial LED products on the market today.

Please note that we are recommending our 580W Sports Light (Spec. Sheet Attached) to replace the 750 W recommended in the RFP . This fixture will not only out preform the recommended options but will save in up front and long-term electrical costs. It is also paired with IBA LED LLC' s 10 yr/100,000hr warranty.

Once again, we thank you for this opportunity and look forward to working with you on this project.

Regards,

Chuck Meehan
Managing Partner
