Husky 1/4 in. drive sockets are manufactured from chrome-vanadium steel and heat treated for added strength and wear protection; providing durability for a lifetime of hard use. Each socket features chamfered lead ins for quick and easy placement onto fasteners every time. Their polished chrome finish resist rust and corrosion and easily wipes clean of oil and dirt.

- For use with 1/4 in. drive tools
- 6-point deep socket
- Large hard stamped size markings for easy identification
- Sockets feature off-corner loading that virtually eliminates the rounding of fasteners
- Guaranteed forever lifetime warranty
- Meets or exceeds ANSI standards
- Call 1-888-HD-HUSKY or visit HuskyTools.com for customer service and support
