CLARIFICATIONS & EXCEPTIONS:

CLARIFICATION TYPE: QUOTE EXPIRATION

****Please note that this quotation is only good for 30-days from issuance. Please call or contact a salesperson for an updated quotation if this quotation is older than 30-days****

CLARIFICATION: FOUNDATIONS

Please note that FSSI engineered plans only include a TYPICAL foundation. FSSI is NOT responsible for local approval of the foundation, soil conditions, other foundation work or work related to the foundation. Foundations are not site specific and will not reflect all conditions of a specific site.

CLARIFICATION of Discrepancies #1:

Please note that any discrepancy in the quotation and the drawings will be governed by the signed customer drawing. Please note that these Clarifications and Exceptions are a part of our quotation and will be part of any contractual agreement.

CLARIFICATION of Discrepancies #2:

Please note that any discrepancy between the "Clarifications and Exceptions" and either the quotation or RFP will be governed by the "Clarifications and Exceptions".

CLARIFICATION on Local Ordinances:

Please note that First String Space is not responsible for local codes or ordinances.

Bonding Disclaimer:

Please note that First String Space is not responsible for any bonding and/or liquidated damages.

Foundation Disclaimer #1:

Please note that all foundation work is entirely by others.

Foundation Disclaimer #2:

Please note that FSSI engineered plans only include a TYPICAL foundation. FSSI is NOT responsible for local approval of the foundation, soil conditions, other foundation work or work related to the foundation. Foundations are not site-specific and will not reflect all conditions of a specific site. FSSI will not guarantee the type of foundation that its engineer will seal. Alternate typical (Not site specific) foundations WILL cost extra.

Disclaimer of Site-work:

Note that all permitting, site-work, set-up, freight, utility connections, termite &/or pesticide treatments/daily pesticide reports & environmental reports are entirely the responsibility of the contractor. FSSI will only produce the building.

CLARIFICATIONS & EXCEPTIONS:

Disclaimer of Responsibility For Height & Weight:

Please note that as FSSI will estimate a height and/or weight of a unit if requested, FSSI WILL-NOT GUARANTEE any heights or weights of any buildings and will not reimburse any freight or crane differences.

CLARIFICATION on "I" Beam Spacing:

Please note that "I" beam spacing and size will be per the FSSI quote.

CLARIFICATION of Mate-Line Floor Deck:

Please note that unless it appears in the floor section of this quotation, NO floor decking will be cut-back. This is available at an additional charge.

CLARIFICATION on Drawings / Prints #1:

Please note that the manufacturer will be supplying their standard shop drawings in DATA CAD format for sign-off purposes and the engineered design/calculations will follow in the manufacturer's standard format. No non-standard site plans or non-standard drawings or non-standard calculations will be provided.

CLARIFICATION on Drawings / Prints #2:

Our typical standard sealed plans will include a cover page with notes/codes/calculations, floor plan with dimensions/electrical/plumbing/mechanical on same page, typical elevation (NOT job specific), and a standard typical cross section (NOT job specific and may have actual roof designed truss attached).

CLARIFICATION on Foundation plans:

Please note that manufacturer is not responsible for specific foundations. Unless it is specifically spelled-out on this quotation, there will be an additional charge for alternate foundations or revisions to the foundation produced.

CLARIFICATION on Revisions to Sealed Plans:

Please note that any additional detail needed on sealed prints, other than what is typically provided will result in additional charges. Also note that any revisions to sealed prints due to no fault of First String Space will result in additional charges.

CLARIFICATION: EXP."D"

Please note that this building is not designed for an "Exposure D" (Beach or coastline) construction.

CLARIFICATION: "Coastal Construction Control Line"

Please note that this building "CANNOT" be placed on the seaward side of a "Coastal Construction Control Line".

ATTENTION: HURRICANE STRAPS NOT INSTALLED

Please note that no hurricane tie-down straps will be included installed from the FSSI factory. Please see options if this is needed.
