All required insurance under this bid shall conform to Jefferson Parish Resolution No. 113646 or No. 113647, as applicable. Contractors may not commence any work under any ensuing contract unless and until all required insurance and associated evidentiary requirements thereto have been met, along with any additional specifications contained in the advertised bid. Except as where otherwise precluded by law, the Parish Attorney or his designee, with the concurrence of the Director of Risk Management or his designee, may agree on a case-by-case basis, to deviate from Jefferson Parish's standard insurance requirements, as provided in this Section. Vendors requesting deviation therefrom shall submit such requests in writing, along with compelling substantiation, to the Purchasing Department prior to the bid's due date. Any changes to the insurance requirements will be reflected in the bid specifications and addenda. Prior to contract execution and at all times thereafter during the term of such contract, contractors must provide and continuously maintain all coverages as required by the foregoing Resolutions, and the contract documents. Failure to do so shall be grounds for suspension, discontinuation or termination of the contract.

For bidding purposes, bidders must submit with bid submission a current (valid) insurance certificate evidencing the required coverages. Failure to comply will cause bid to be rejected. The current insurance certificate will be used for proof of insurance at time of evaluation. This insurance declaration affidavit must be fully completed, signed, properly notarized and submitted with the bid. A scanned copy may be submitted with the bid; however, the successful bidder must submit the original affidavit in its original format and without material alteration upon contract execution. Dear Ms. Hasten,

On behalf of Iberville Christian Center, we want to extend our sincere thanks to you and your staff for outstanding service for the last few years. The high standards of our church cleaning schedule and description of cleaning services have been more than met. The ability to flex to ICC's ever evolving schedule has been especially appreciated. Our concern centers around the sanitary nursery and classrooms, a neat and clean sanctuary, as well as an overall condition worthy of God's house.

Mr. Jackson routinely demonstrates her dedication to the condition of our church and to appreciating and sharing in our cleaning standards. She is a joy to work with and has great rapport with our staff and our congregation.

It was challenging times, losing our long term custodial to retirement, determine how to fill that need and to ensure. Assure our members that the high sanitation standards would protect our youth from common ailments. The stripping and re-waxing of the tile floors by your maintenance crew was carried out efficiently with empathy to our schedule – still looks like new even in high traffic areas.

The biggest complement from a Property moderator's perspective is on Sunday morning, when people tap you on the shoulder and offer up praises instead of complaints! The compliment is even more significant when you consider the regular use of the church thought out the week, for church functions, wedding, funerals, elections and many other local community activities.

Thanks again for a very successful partnership with Iberville Christian Center this year.

Sincerely,
