Re: Pre-Placed Emergency Contract to supply Equipment Operators on an Emergency basis to compliment Jefferson Parish forces in clean up and/or restoration efforts, as needed, in unincorporated Jefferson Parish in response to a Natural Disaster or other Stat of Emergency, for a period of Two (2) Years
Bid No. 50-00142971

Dear Sir or Madam,

DRC Emergency Services, LLC, appreciates the opportunity to present to you and Jefferson Parish our proposal to provide Pre-Placed Emergency Contract to supply Equipment Operators on an Emergency basis to compliment Jefferson Parish forces in clean up and/or restoration efforts, as needed, in unincorporated Jefferson Parish in response to a Natural Disaster or other Stat of Emergency, for a period of Two (2) Years as required in the above referenced ITB. DRC is among the leading disaster management companies in the United States. Our services include emergency debris removal; disaster management—including temporary housing, workforce housing and life support—as well as required FEMA documentation; debris management; right-of-way maintenance; marine debris, salvage and recovery; vehicle and vessel removal and processing; technical assistance and project management; construction and construction management; demolition; and final disposal management.

DRC's Senior Emergency Management and Response team has been located in Jefferson Parish for the past 17 years. As a local company, many of DRC's personnel are dispersed throughout Jefferson Parish and the surrounding area. DRC has contracts with several surrounding Parishes and has worked closely with LDEQ, GOSHEP, and LADOTD for decades. Over the past two hurricane seasons alone, DRC has removed and disposed of over 21 million cubic yards of debris in Louisiana. DRC currently has dozens of reservists and hundreds of subcontractors ready to participate in any response effort. Depending on the size of an event which may strike Jefferson Parish, DRC will dedicate all necessary manpower and equipment and in no case, will the project be understaffed.

Corporate officers with legal signing authority to bind DRC to the terms and conditions of this proposal include: John Sullivan, President; Kristy Fuentes, Vice President/Secretary-Treasurer. Evidence of their authority is attached.

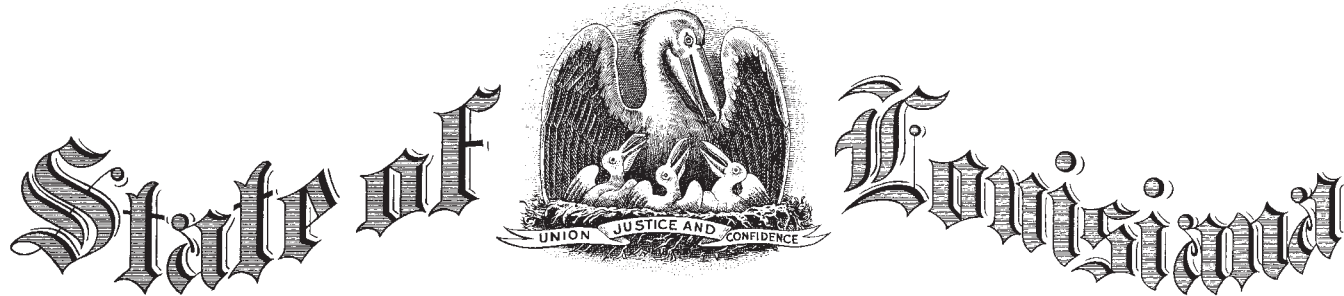

The Point of Contact for Jefferson Parish is Kristy Fuentes who can be reached at (888) 721-4372, by cell: (504) 220-7682 or by email: Kfuentes@drcusa.com. As a local, Ms. Fuentes provides a hands-on and immediate response in the wake of a disaster.

This proposal is in all respects fair and in good faith, without collusion or fraud and conforms to the specifications of your ITB. If we may offer any additional information or clarifications, please let us know. Thank you for the opportunity to offer our services and we look forward to working with Jefferson Parish in the future.

Sincerely,

Kristy Fuentes
