- In such cases, we will make reasonable efforts to notify you of the delay and provide an estimated delivery time. Please note that we are not responsible for any damage or losses incurred due to delayed deliveries caused by these factors.
- Please note that prices are subject to change at the time of order, as our products are procured directly from the manufacturer. Any price adjustments will be communicated to you prior to signing the contract. However, we are not responsible for price increases that occur due to economic instability, supply chain disruptions, or changes in material costs during the production process. Morgan Inland will not be liable for any additional fees or charges resulting from such circumstances.
- While we strive for accuracy in our product information, including part numbers, prices, and descriptions, errors may occasionally occur. We reserve the right to correct any errors or omissions, including pricing errors, at any time, even after an order has been placed. Please note that product images may be illustrative and may not accurately depict the exact product. It is the customer's responsibility to verify the accuracy of all product information before placing an order.
