*** QUESTIONS & ANSWERS PAGE ***

1. For Item Number 4, #B89437 0040 – Oracle Cloud Infrastructure – Object Storage – Storage Government the quantity is 3072. The service metric is listed as 10,000 requests per month. Usually this line item's service metric is in GB and or TB. Are you saying that you need a quantity of 3072GB per month (which is equal to 3.072TB) of Object Storage?
 - WE HAVE UPDATED THE SERVICE METTIC TO GIGABYTE STORAGE CAPACITY PER MONTH
2. For Item Number 5, #B89436 0050 – Oracle Cloud Infrastructure – Object Storage – Requests the quantity is 100. The service metric covers 10,000 requests per month. Are you inquiring for only 100 requests per month (which is covered in the 10,000 requests you are allotted per month) or do you need 100 more requests than the allotted 10,000 requests per month?
 - 100 X 10,000 SERVICE REQUEST PER MONTH, OR, 1200 X 10,000 SERVICE REQUEST MANUALLY. LOOKING AT THE 10,000 REQUESTS PER MONTH AS A 10,000 PACK OF REQUEST, WE ARE ASKING FOR ON HUNDRED 10,000 PACKS OF REQUEST PER MONTH. 1,200 ANNUALLY
3. For Item Number 6, #B89432 0060 – Oracle Cloud Infrastructure – Outbound Data Transfer – Government the quantity is 10240 (10,240 GB which is equal to 10.240TB). The first 10TB (equal to 10,000 GB) transferred per month is free. Are you saying that you need an additional 240GB (or .24TB) of outbound data transfer per month over the 10,000GB (10TB) you are given for free?
 - AS WE UNDERSTAND IT, 10,240 GB PER MONTH IS FREE
4. For the on-premises licenses (Item Numbers 9-16), are these brand new on-premises licenses that you need quoted with the required 1st year support? Or do you have these licenses already and you just need them renewed? Is there a CSI number related?
 - NEW LICENSES. WE'VE UPDATED THE BID VERBIAGE ON THE BID FORM TO CLARIFY.
5. Going off of the previous question (question #4) if they are licenses that you have had in the past and you need renewed, are you planning to bring these licenses to the cloud or will these be on-premises licenses that you will use additionally with the cloud licenses as well?
 - N/A-NEW LICENSES
6. For Item Number 17, 0170 – Delta Support, what are you inquiring pricing for? This line item does not have any service metric attached to it so we do not want to assume anything. Please explain further.
 - THE CO-TERM DATE WILL BEGIN AT THE START OF THE AGREEMENT.
 - IT IS TO CO-TERM SUPPORT FOR THE EXISTING LICENSES UNDER OUR CSI WITH THE NEW LICENSES WE'RE PURCHASING UNDER THIS BID
