Reference: Quote for Blasting and Coating Dock Ramp

Dear Mr. Gautreau,

Delta Coatings is pleased to present this proposal to do the following work as per customer direction to the dock ramp as follows:

Dock Ramp Blasting and Coatings

Delta Coating will have dock ramp picked up from Jefferson Parish Dept. of Emergency Management and deliver ramp to Delta Coatings blast yard. Delta Coating to furnish and install protection on all items that might be damaged during blasting and coating of ramp. Sand blast in an (SSPC-SP-6) commercial blast. Clean and blown down tanks to remove all spent abrasives. Furnish and apply one (1) coat of Zinc primer to ramp. Furnish and apply epoxy intermediate coat (2nd coat) to ramp. Furnish and apply Urethane top coat (3rd coat) being the color Black on base and Orange on deck and rails. Furnish and renew all safety stickers on lift as existing before blasting of ramp. Once completed, Delta Coatings will deliver ramp back to Jefferson Parish Dept. of Emergency Management facility.

Total Cost: \$7,020.00
