The Purchasing Director will review it in connection with the Parish Attorney's Office as appropriate and a written response will be provided as soon as possible.

The order must not be filled at a higher price than quoted. JEFFERSON PARISH reserves the right to cancel at any time and for any reason by issuing a THIRTY (30) day written notice to the contractor.

JEFFERSON PARISH requires all products to be new (current) and all work must be performed according to standard practices for the project. Unless otherwise specified, no aftermarket parts will be accepted. Unless otherwise specified, all workmanship and materials must have at least one (1) year guaranty, in writing, from the date of delivery and/or acceptance of the project. Any deviations or alterations from the specifications must be indicated and/or supporting documentation supplied with bid submission.

If this bid requires a pre-bid conference (see Additional Requirements section), bidders are advised that such conference will be held to allow bidders the opportunity to identify any discrepancies in the bid specifications and seek further clarification regarding instructions. The Purchasing Department will issue a written response to bidders' questions in the form of an Addendum.

All formal Addenda require written acknowledgment on the bid form by the bidder. Failure to acknowledge an Addendum on the bid form shall cause the bid to be rejected; JEFFERSON PARISH reserves the right to award bid to next lowest responsive and responsible bidder in this event.

USE OF BRAND NAMES AND STOCK NUMBERS: Where brand names and stock numbers are specified, it is for the purpose of establishing certain minimum standards of quality. Bids may be submitted for products of equal quality, provided brand names and stock numbers are specified. Complete product data may be required prior to award.

Quantities listed are for bidding purposes only. Actual requirements may be more or less than quantities listed.

Bidders are not to exclude from participation in, deny the benefits of, or subject to discrimination under any program or activity, any person in the United States on the grounds of race, color, national origin, or sex; nor discriminate on the basis of age under the Age Discrimination Act of 1975, or with respect to an otherwise qualified handicapped individual as provided in Section 504 of the Rehabilitation Act of 1973, or on the basis of religion, except that any exemption from such prohibition against discrimination on the basis of religion as provided in the Civil Rights Act of 1964, or Title VI and VII of the Act of April 11, 1968, shall also apply. This assurance includes compliance with the administrative requirements of the Revenue Sharing final handicapped discrimination provisions contained in Section 51.55 (c), (d), (e), and (k)(5) of the Regulations. New construction or renovation projects must comply with Section 504 of the 1973 Rehabilitation Act, as amended, in accordance with the American National Standard Institute's specifications (ANSI A117.1-1961).

Jefferson Parish and its partners as the recipients of federal funds are fully committed to awarding a contract(s) to firm(s) that will provide high quality services and that are dedicated to diversity and to containing costs. Thus, Jefferson Parish strongly encourages the involvement of minority and/or woman-owned business enterprises (DBE's, including MBE's, WBE's and SBE's) to stimulate participation in procurement and assistance programs.

## WARRANTY

**LIMITED WARRANTY.** Philips Medical Systems ("Philips") warrants that HeartStart FR2 series, HeartStart HS1 series, HeartStart FRx, and HeartStart FR3 defibrillators (and related accessories for these defibrillators described herein) sold by Philips or an authorized Philips distributor, if (i) used in accordance with its labeling and instructions for use, and (ii) properly maintained, shall substantially conform to material specifications published by Philips for such products and shall be substantially free from defects in material and workmanship for the warranty period specified. The HeartStart FR2 series and FR3 defibrillators are warranted for five (5) years from the date of shipment by Philips. The HS1 series and FRx defibrillators are warranted for eight (8) years from the date of shipment by Philips. Disposable defibrillation pads are warranted until the expiration date listed on the package. HeartStart FR2 series, HS1 series, and FRx non-rechargeable lithium batteries are warranted for four (4) years, and the FR3 battery for three (3) years, from the date of installation, provided the battery is installed by the shelf-life date stated on the battery. For all other accessories for the FR2 series, HS1 series, FRx, and FR3 defibrillators, Philips warrants such products for 12 months from the date of shipment by Philips. Philips warrants the media on which the data management software copies are contained for a period of 60 days from the date of shipment by Philips.

This warranty does not apply to product defects resulting from improper or inadequate maintenance; use of the product with software, supplies or interfaces not supplied by Philips; use or operation of the product other than in accordance with Philips product specifications and written instruction; abuse, negligence, accident, loss or damage in transit; improper site preparation; or unauthorized repair or modification to the product ("Warranty Exclusions").

Customer's exclusive remedy and Philips' sole liability for breach of the foregoing warranty is as follows. If any product described herein fails to conform to the warranty set forth above, at its sole election (which election shall be made after Philips receives the product), Philips shall repair or replace the product, provided that (a) Philips receives written notice in a timely manner that such product failed to conform and a detailed explanation of any alleged nonconformity; (b) such product is returned to Philips during the warranty period; and (c) Philips is reasonably satisfied that claimed nonconformities actually exist and were not caused by the Warranty Exclusions. Philips is obligated to this warranty, provided that Philips has given prior consent to have the product returned to it, and the product is returned using a Returned Goods Authorization (RGA) number provided by Philips. In such instance, Philips shall be responsible for the cost of shipping.

## INDEMNIFICATION

Philips Healthcare (“Philips”) shall defend, indemnify, hold harmless, and, at its option, settle any claims or actions for injury or damages to persons or tangible property brought against any person or entity who uses a HeartStart Defibrillator or who purchases, rents, or leases a HeartStart Defibrillator from Philips or one of its authorized distributors of model:

- HeartStart FRx Defibrillator®;
- HeartStart OnSite Defibrillator®, HeartStart Defibrillator® or HeartStart Home Defibrillator® (“HS1”);
- HeartStart FR3 Automated External Defibrillator (“FR3”)

This Indemnification shall only apply if: (1) such claim or action arises from the mechanical or electrical failure or malfunction of the device; (2) a data card was used to record the event which is the subject of the claim (ForeRunner, FR2 and FR2+, and FR3 only); and (3) such claim or action did not result from the negligence, gross negligence or improper acts of any person or entity not employed by or under the control of Philips.

This indemnification does not extend to or cover any claims involving:

- a device not kept in proper working order;
- use of non-Philips or out-of-date pads, batteries or data cards;
- operation of a device by a person without authorization;
- failure to use a device in compliance with state and/or local regulations including those regarding medical direction or supervision;
- failure to follow the operating instructions.

This indemnification is expressly contingent on the person(s) or entity(ies) promptly providing Philips with: notice of any such claim or action after obtaining actual knowledge thereof; accurate and complete assistance and information, including the data card (for ForeRunner, FR2, and FR2+, and FR3 only) and the device containing the record of the event which is the subject of the claim or action; and the unrestricted authority to defend or settle such claim or action, provided, however, that the person or entity seeking indemnification shall have the right to participate at its own expense in any such defense or settlement.
