Volleyball & Net Sports Catalog

Wherever you play. Whatever you play.

 **YOUR GAME.**

Authentic Schelde Products.

Superior Schelde Service.

Schelde Innovation. So you can focus on your game.

Schelde equipment is designed, engineered, built and installed to be a superior team player. You can count on authentic Schelde equipment to perform – season after season, year after year – so all you need to think about is your game.

Schelde has been around for more than 100 years. We innovate game-changing products – like the first lightweight, yet indestructible, volleyball system introduced in the 1980's – for people who love their game. Schelde innovation continues with the new products designed exclusively for North America featured in this catalog.

♥ YOUR GAME.

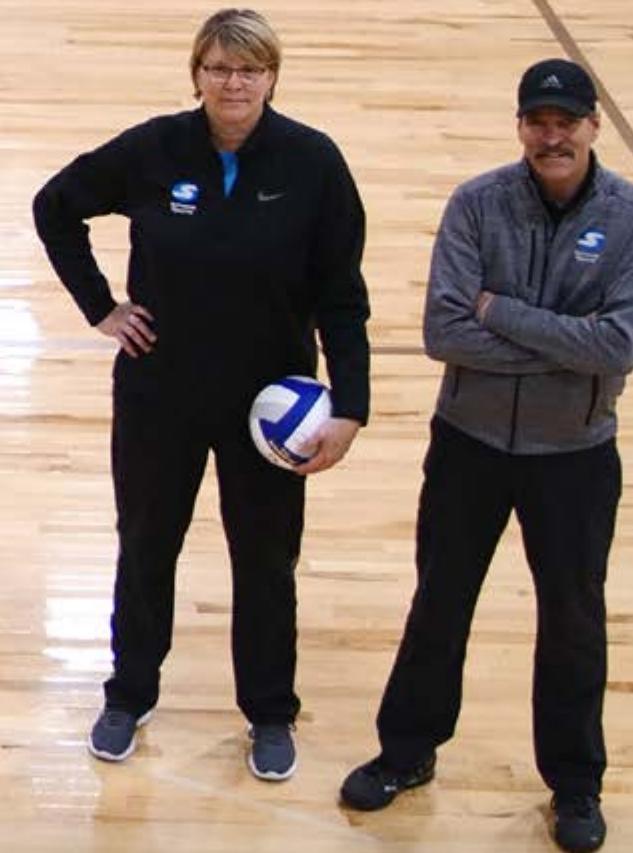

“Each Schelde customer deserves our complete attention. When we deliver product and service excellence, coaches can focus on the important stuff – developing great kids and programs.”

David Noe President
Schelde Sports North America

“I’ve played at the highest levels of the sport, and have represented superior Schelde equipment for 20+ years. I’m thrilled about Schelde’s enhanced commitment to the sport we love, and I know you will be too.”

Madelyn Meneghetti Vice President

Schelde Service.

Partners you can trust.
Game day and every day.

"I have always been impressed with Schelde Sports. Their products are top of the line and their customer service is beyond compare. With daily wear and tear, equipment sometimes needs to be fixed; they ship parts immediately and get it taken care of. They do whatever it takes to make it right. I won't go with anyone else for volleyball equipment."
