JLG agrees only to repair or replace at its own expense, F.O.B. In no case shall any warranty extend to defects in materials, components, or services furnished by third parties. Defects caused by chemical action or the presence of abrasive materials and defects arising following the operation beyond rated capacity or the improper use or application of any products shall not be considered defects within the scope of this warranty. If any repairs or alterations are made or any parts are replaced during the applicable warranty periods by anyone other than JLG or an entity authorized by JLG in accordance with authorized JLG service manuals or with parts, accessories, or attachments other than authorized by JLG for use in its products, customer shall pay for such repairs or parts without recourse against JLG, and JLG shall be relieved of responsibility for fulfillment of this warranty with respect to such repairs, alterations, or replacements so made. The above mentioned warranty shall not apply to replacement or service parts made and sold by JLG. Routine maintenance, routine maintenance items (including paint and decals), and minor adjustments are excluded from this warranty. JLG Warranty Policy does not cover any duties, taxes, environmental fees, including without limitation, disposal or handling of tires, batteries, and petrochemical items.

Under no circumstances shall JLG be liable for any consequential or special damages which any person or entity may incur or claim to incur as a result of any defect in the product or in any correction or alteration thereof made or furnished by JLG or others. "Consequential" or "special damage" includes, but is not limited to costs of transportation, lost sales, lost orders, lost profits, lost income, increased overhead, labor and material costs, and cost of manufacturing variances and operational inefficiencies. JLG's maximum liability under this warranty shall be the purchase price paid to JLG with respect to the product to which such warranty is claimed.
