### ❖ Clarification of Specifications

#### Question # 1:

Would it be possible for you to confirm what the wall thickness and OD dimensions should be, for the sizes you have requested?

It states, in the last paragraph of page 2, "This wall thickness for 200 psi working pressure for ¾" and 1.00" tubing shall be dictated by the 800 psi hydrostatic design stress and a dimensional ration of 9 OD." There are tables associated with the above nomenclature, however, we need specific numbers.

#### Answer # 1:

The PC is equal to 200 psi and the pipe is DR 9.

Nominal Size (IN)	Outside Diameter (IN)	Wall Thickness (IN)
¾	0.875	0.097
1	1.125	0.125

**STANDARD INSURANCE REQUIREMENTS FOR BIDDING PURPOSES**

All required insurance under this bid shall conform to Jefferson Parish Resolution No. 113646 or No. 113647, as applicable. Contractors may not commence any work under any ensuing contract unless and until all required insurance and associated evidentiary requirements thereto have been met, along with any additional specifications contained in the **Invitation to Bid**. Except as where otherwise precluded by law, the Parish Attorney or his designee, with the concurrence of the Director of Risk Management or his designee, may agree on a case-by-case basis, to deviate from Jefferson Parish's standard insurance requirements, as provided in this Section. Vendors requesting deviation therefrom shall submit such requests in writing, along with compelling substantiation, to the Purchasing Department prior to the bid's due date. Any changes to the insurance requirements will be reflected in the bid specifications and addenda. For bidding purposes, bidders must submit with bid submission a current (valid) insurance certificate evidencing the required coverages. Failure to comply will cause bid to be rejected. The current insurance certificate will be used for proof of insurance at time of evaluation. Thereafter, and prior to contract execution, the low bidder will be required to provide final insurance certificates to the Parish which shall name **the Jefferson Parish, its Districts Departments and Agencies under the direction of the Parish President and the Parish Council** as additional insureds regarding negligence by the contractor for the Commercial General Liability, Workmen's Compensation Insurance and the Comprehensive Automobile Liability policies. Additionally, said certificates should reflect the name of the Parish Department receiving goods and services and reference the respective Jefferson Parish bid number.
