Ship dates and/or lead times provided are our best estimates based on current supply chain and labor conditions at the time of quotation. Supply chain and labor are both subject to unanticipated Covid-19 related disruptions. In the event of any delays or adverse impacts, ACC, Inc. reserves the right for an equitable adjustment of the delivery schedule and possible price changes herein, to offset the effects of Covid-19 delays, without fault or penalty of any kind. As always, we will continue strive to meet and exceed ship dates, where possible, and we want to thank you for your continued business partnership!

Please reference our quote number when placing your order.

Please specify shipping method on purchase order if other than standard ground. Clerical errors are subject to correction. Any applicable sales taxes are not included. For faster order processing on cash accounts, we accept VISA, Discover, Mastercard, Amex.

Respectfully,
 Automation Control Company, Inc.
