

PROPOSAL

Jefferson Parish Department of Parks & Recreation

QUOTE NUMBER: 00778525

THE ULTIMATE AIRFLOW SOLUTION

For more than 20 years, Big Ass Fans has set the standard for safer, more comfortable work conditions with airflow products purpose-built to excel in demanding environments. Our fans provide year-round relief from extreme temperatures, making people feel up to 10 °F (6 °C) cooler in summer and effectively circulating heated air in winter.

Engineered for efficient, maintenance-free operation and backed by unbeatable warranties, Big Ass fans deliver powerful airflow that keeps workers refreshed and productive. With a custom solution from Big Ass Fans, your business will reap the rewards of comfort and cost-savings for years.

Comments

Comments All fans to include controller with variable speed selector and all mounting brackets.
Freight charges are included in the quoted price.*
Sales Tax is strictly an estimate and may change based on the shipping address of the order.
Lead times are strictly an estimate and may change over time.
PLEASE NOTE THAT THE CONTRACTOR IS RESPONSIBLE FOR VERIFYING THE CORRECT DROP TUBE LENGTH AS WELL AS THE CORRECT MOUNTING METHOD FOR FANS PRIOR TO ORDERING
*Freight charges are subject to change.

****VERY IMPORTANT****
Davis /Bacon Act, Prevailing Wage, Union Labor or Certified Payroll requirements not included on quoted installation. Fire relay installation is not included unless specifically noted, but can be quoted upon request. It is the quote recipient's responsibility to inform BAF if any of these apply and to provide a determination of wage. Should the quote recipient/ordering party fail to notify BAF of any such conditions, BAF will not assume any additional charges incurred.

Sales Tax

Sales Tax is strictly an estimate and may change based on the shipping address of the order; sales tax is also subject to the tax provisions of the "STANDARD TERMS."

STANDARD TERMS - NET 30 DAYS UPON APPROVAL

Shipping and handling is an estimate.

Our proposals include an estimate of applicable itemized sales taxes which Big Ass Fans is legally obligated to collect and remit. The final, actual amount of such taxes would only be known at the time the customer is actually invoiced for the order.

All products are subject to Big Ass Fans return policy. For full details visit bigassfans.com/returns

The Buyer must insure that product specifications are consistent with actual field installation requirements. Big Ass Fans product recommendations are based on product specifications as transmitted to the company. As such, Big Ass Fans is not responsible for inaccuracies between the communicated product specifications and actual field installation requirements. The Buyer of the specified products assumes responsibility for the cost of returning or exchanging specified product where specified product does not meet field requirements.

Any variations to product types or quantities (or omissions of existing light fixtures during the survey process – and now not represented in project) will be considered “add-on” and an additional material requirement. These add-on materials will be priced separately.

Big Ass Fans customers who have been approved for term credit and are invoiced for their orders may pay their invoice through one of our customary term credit payment methods of: Check, money order, wire transfer or ACH payment. Any such term credit approved customers who subsequently elect to pay their term invoice by credit card will also be charged a convenience fee for doing so. The exact amount of the convenience fee will be communicated to the customer before the transaction is processed and the card is charged. The Fee is calculated by multiplying the amount sought to be charged to the credit card by .03. (Fee = .03 x Total Amount Paid). If the customer elects not to pay the convenience fee, the customer may use one of the other payment channels alluded to above, free of charge.

Customer is responsible for paying all applicable state and local transactional taxes resulting from the sale. As a manufacturer of tangible personal property registered to do business in all 50 US States, Big Ass Fans is obligated to collect and remit applicable sales taxes and the transaction will be treated and reported as the sale of tangible personal property sold by a manufacturer.

To the extent that the Buyer takes any contrary position with any taxing authority subsequent to this transaction which results in additional and/or different transaction-based taxes for which Big Ass Fans is responsible, Big Ass Fans reserves the right to apply any sales tax collected to any such additional taxes due and/or invoice the Buyer for any other additional amounts due. Additionally, to the extent that applicable transactional taxes were not collected at the time of sale in reliance upon an Exemption Certificate or other exemption later found to be inapplicable by Big Ass Fans, in the exercise of its sole and absolute discretion, Big Ass Fans will invoice Buyer for any applicable sales or other transactional taxes.

Buyer covenants and agrees to promptly pay any such amounts to Big Ass Fans on the same terms and conditions as any other amounts owed to Big Ass Fans on the applicable Order.

The transaction and contract that is the subject of this Proposal shall be governed by the internal laws of the Commonwealth of Kentucky. Any controversy or claim arising out of or relating to this contract, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof.

This Proposal and its Associated Terms may not be modified or added to, except by a subsequent writing executed by Big Ass Fans.

PURCHASING OR USING ANY OF OUR PRODUCTS & SERVICES INDICATES YOU AGREE WITH OUR [TERMS OF SERVICE](#) AND [PRIVACY POLICY](#). (FOR FULL WARRANTY, TERMS, AND CONDITIONS FOR ALL BIG ASS PRODUCTS, VISIT BIGASSFANS.COM.)

INTELLECTUAL PROPERTY

Big Ass Fans retains exclusive ownership of all intellectual property rights embodied by and/or associated with the products sold.

ESSENCE[®]

Essence is the crowd favorite for creating a more comfortable and attractive space. Designed for power, versatility, and sophistication, its performance transforms stuffy conditions and offers any setting a centerpiece of style. Quiet and efficient, Essence lets you provide an enjoyable experience that keeps employees motivated, customers engaged, and guests in awe of your space.

KEY FEATURES

- ▶ **Eight anodized airfoils** with winglets and safety restraints
- ▶ **Virtually silent** gearless direct-drive motor
- ▶ **Lightweight design** mounts to bar joists, beams, purlins, and wood frames
- ▶ **Variety of control options** for convenience and efficiency
- ▶ **Indoor and outdoor** models available to fit any space
- ▶ **Color customization** and integrated LED kit available to optimize your style

MECHANICAL SCOPE OF WORK

Commercial Fans

This document is a reference tool only. Please consult the installation guide for complete installation instructions and safety guidelines.

GENERAL

- Includes regular working hours from 7 a.m. to 5 p.m., Monday through Friday. Afterhours charges will apply.
- If applicable, bridge cranes in or near fan installation area must be locked out during fan installation.
- To activate warranty coverage, Check-In and Close-Out forms must be completed and returned to Big Ass Fans.
- Whether provided by Big Ass Fans or the customer, the lift must be an OSHA-approved, two-man scissor lift, unless otherwise specified.
- If the lift is provided by the customer, but is unavailable or in an unsafe condition, Big Ass Fans will order a replacement lift and the customer will be charged for its usage, as well as any resulting downtime.
- Angle iron or other steel added by the installer in commercial or finished (non-industrial) spaces will be painted to match by the installer.
- Wasted trips or delays caused by the customer, including timely access to work area(s), timely delivery of fans to the installers, fan/controller placement indecision, and incomplete customer responsibilities, will result in extra charges.

NOT INCLUDED IN THIS SCOPE OF WORK

- Use of scaffolding, all-terrain lifts, articulated boom lifts, or specialty lifts
- Clean-up or rework of existing electrical infractions
- Additional local disconnecting means adjacent to the fan
- Welding or additional structural reinforcement
- Structural engineering charges
- Fire alarm tie-in at the fire control panel
- Repair/replace any type of fireproofing material
- Relocation of obstacles, such as light fixtures, electrical conduits, gas lines, water lines, sprinkler lines, etc.
- Preliminary work for electrical permit, e.g., layouts or additional visits
- Additional permits other than general electrical permit
- Any other requirements beyond details in this Scope of Work

CUSTOMER RESPONSIBILITY — *MUST BE COMPLETED PRIOR TO BIG ASS FANS' ARRIVAL*

- Obtain all required electrical permits and inspections.
- Receive and store the fan shipment in a safe, dry place until installation.
- For Wired Essence fans, install wiring between the power source and a junction box at the fan mounting location per NEC.
- For RF Wireless Essence and Isis fans, install wiring between the power source and junction box at the wall control location per NEC.
- IF FIRE RELAY INSTALL NOT PURCHASED: Install fire wire per NEC from the fire control panel to the contact relay located in the Big Ass Fans-provided junction box at the fan location.
- Final tie-in to the fire panel. The provided relay requires 20–32 VDC to energize.

BIG ASS FANS RESPONSIBILITY

- For Wired Essence fans, make the electrical connection between the fan and the customer-installed junction box at the mounting location.
- For RF Wireless Essence and Isis fans, install wiring from the wall control to the fan per NEC.
- Assemble and mount the complete fan kit to the building structure, including safety cables.
- Mount and install the wired wall control to an accessible surface (column, concrete wall, or wood) within 100 ft (30.5 m) of the fan, and run wiring to the fan in EMT conduit to eave height. If the RF Wireless Controller is purchased, it will be installed within 50 ft (15.2 m) and in direct line-of-sight of the fan.
- IF FIRE RELAY INSTALL IS NOT PURCHASED: Install a contact relay in a Big Ass Fans-provided junction box located above the fan. (If fire relay is purchased, refer to the Fire Relay Scope of Work.)
- Fan startup and operational training.

The installation of HVLS fans in buildings equipped with sprinklers, including ESFR sprinklers, shall comply with the following:

- The HVLS fan shall be centered approximately between four adjacent sprinklers.
- The vertical distance from the HVLS fan to sprinkler deflector shall be a minimum of 3 ft (0.9 m).
- All HVLS fans shall be interlocked to shut down immediately upon receiving a water flow signal from the alarm system in accordance with the requirements of NFPA 72.

WARNING: To reduce the risk of electric shock, wiring should be performed by a qualified electrician! Incorrect assembly can cause electric shock or damage the motor and the controller!

WARNING: Fan installation must be in accordance with the National Electrical Code, ANSI/NFPA 70, and all local codes. Failure to comply with these codes could result in personal injury or property damage.

CAUTION: The Big Ass Fans product warranty will not cover equipment damage or failure that is caused by improper installation by customer.

WARNING: The fan should not be installed unless the structure on which the fan is to be mounted is of sound construction, undamaged, and capable of supporting the loads of the fan and its method of mounting. Verifying the stability of the mounting structure is the sole responsibility of the customer and/or end user, and Big Ass Fans expressly disclaims any liability arising therefrom, or arising from the use of any materials or hardware other than those supplied by Big Ass Fans or otherwise specified in the installation instructions which can be found in the installation manual.

AIREYE[®]

Forget off-the-shelf box fans and rickety pedestal fans. AirEye brings premium engineering to your facility with best-in-class performance, efficiency, and smart controls. An IP65-rated design and mountable, powder-coated steel frame give AirEye the durability to take on tough conditions so your workforce stays comfortable and productive.

KEY FEATURES

- ▶ **Three blades** precision-balanced for smooth performance
- ▶ **IP65-rated EC motor** for superior protection from dust and water
- ▶ **Variable speed controller** with virtually infinite airflow settings
- ▶ **50% more CFM per watt** than basic induction motors
- ▶ **BMS integration and fan grouping** with optional BAFCon controller
- ▶ **Occupancy sensor** available for added convenience and energy savings

AIREYE OCCUPANCY SENSOR

BRAWN MEETS BRAINS

With an effective range of up to 40 ft (12.2 m) within a 90-degree radius, the AirEye Occupancy Sensor automatically turns the fan on to a set speed when it detects infrared motion. Its adjustable lock knob allows users to aim the sensor where airflow is needed most, and two status LEDs display AirEye's power and motion-detection activity. The fan will shut off five minutes after occupants leave the area.

BLACK JACK[®]

With an unrivaled balance of airflow and mobility, Black Jack belongs in every facility. Offering a fully assembled steel frame and 25-foot (7.6-meter) power cord that fits any standard outlet, it's the durable and convenient choice for your dynamic airflow needs. Best of all, Black Jack's powerful IPX5-rated motor runs quietly and efficiently, keeping your people comfortable without distraction.

KEY FEATURES

- ▶ **Six aluminum airfoils** with winglets in an OSHA-compliant cage
- ▶ **Powerful airflow** provides coverage up to 120 feet (37 meters) away
- ▶ **Quiet, efficient EC motor** with variable speed control
- ▶ **Perfectly sized** to fit through standard interior doorways
- ▶ **Maneuvers indoors or out** with durable rubber wheels and handles
- ▶ **Arrives pre-assembled** and ready for operation
