DEBARMENT/SUSPENSION CERTIFICATION

Debarment:

Federal Executive Order (E.O.) 12549 "Debarment" requires that all contractors receiving individual awards, using federal funds, and all subrecipients certify that the organization and its principals are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency from doing business with the Federal Government. By signing this document you certify that your organization and its principals are not debarred. Failure to comply or attempts to edit this language may disqualify your bid. Information on debarment is available at the following websites: www.sam.gov and https://acquisition.gov/far/index.html see section 52.209-6.

Your signature certifies that neither you nor your principal is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

HOMELAND SAFETY SYSTEMS, INC.

HSS-9302-T-IP (AW/AUD)

5 MP VANDAL PROOF DOME IP CAMERA

Homeland Safety Systems' T9302 vandal-proof cameras are built with infrared LEDs for day and night video surveillance. They are designed to prevent damage from hanging on, prying against, or being struck with an object. The camera element is protected by secondary lensing to prevent damage from direct strikes with foreign objects and protects the vital components from harsh weather, rain, humidty, dust and impact. Signal and power cables are routed through the base which also prevents these lines from being cut in an attempt to disable the camera.
