### ADDENDUM # 2

Bid Number: 50-00138822

Receipt Date: August 2, 2022  
Postponed to Date: N/A

Description of Bid: Two (2) year contract for Street Lighting Maintenance for Major Roadways for the Jefferson Parish Engineering Department

---

**REVISION:** The date on Addendum #1 read as June 14<sup>th</sup>. The actual date should have read July 14, 2022

**Q&A:**

1) **QUESTION:** Section C – Scope, Quality of Work, Guarantee

Examination before bid, again I believe this is an extreme burden on those bidding project to differentiate the start/stop locations of these Major Roadways even given the inventory breakdown without a clearly defined map. Also, the last requires the contractor to include in their bid a sum sufficient to cover the costs of all items with mark-ups, overhead, equipment, material and labor required to maintain the Major Roadway Lighting but in other portions of the contract documents we are required to sell to the Parish at our cost for those items exceeding RM costs, please advise why this does not apply to other portions of the contract documents?

**ANSWER:** We understand that inspecting the entire system is unreasonable pre-bid. The contractor should review the documentation included in the specification and make any site visits they feel necessary to gain a general understanding of the complexities in maintaining the street lighting system on major roadways in Jefferson Parish. The Parish has records and as-builts which will be utilized for any unforeseen issues discovered in the field.

Each individual bid item shall include these costs. As it is not feasible to include bid items for all miscellaneous material that may be needed during the contractor term, the Parish will reimburse the contractor for any required materials that are not covered under items as outline in the bid specifications.

2) **QUESTION:** Section G.2.a Fourth sentence Defective fixture shall be returned to Jefferson Parish....., however this does NOT apply to fixtures in Section G,3, 1 thru 5 and G-3, 1a thru 4a below for the term of this contract. We cannot find G-3, 1a thru 4a; please advise.

**ANSWER:** Any reference to G-3, 1a thru 4a, should state G-3, h thru k.
