# Ratcheting Cable Cutter

**Cat. No. 63060**

### Product Features

- Reduced hand force for easier cutting
- Patented two-step ratchet mechanism requires fewer strokes per cut
- Cuts up to 600 MCM Copper and 750 MCM Aluminum
- Quick release lever opens blades easily in every cutting position, to allow removal of the cable before completion of cut
- Hardened steel cutting blades for lasting strength and sharpness
- Locking lever keeps handles closed for easy transport; fits in a tool box or bag
- New higher cutting capacity and reduced hand force make it easier to cut large diameter cables
