CODE OF CONDUCT

A. POLICY STATEMENT.

The citizens of the City of Mandeville rightfully expect elected municipal officials, unclassified employees and appointed personnel to adhere to the highest standards of professional and ethical conduct in the performance of their duties and responsibilities. The City of Mandeville Personnel Policies and Police Standard Operating Procedures Manual specifies the conduct of the classified civil service employee so that this code does not apply to this class of city employees. This code applies to the following persons:

1. Elected municipal officials of the City of Mandeville.
Unclassified employees of the City of Mandeville.
3. Persons appointed or elected to the various boards and commissions of the City of Mandeville.
4. Contractors as described in Section D of this code. Contractors are not obligated to participate in the training requirements of this code but will be required to demonstrate that they are familiar with this code and the Louisiana State Code of Ethics.

While this document in and of itself is not punitive in nature, it complements the existing laws incorporated in the Louisiana State Code of Ethics and other existing policies that cover persons employed by the City of Mandeville. All elected municipal officials, unclassified employees and appointed personnel of the city in whatever capacity should know that infractions of this Code of Conduct may also be violations prohibited by state ethical rules and regulations which do carry punitive provisions.

Every person covered by this Code has a unique position of trust in the community and, therefore, assumes a special responsibility to act with the highest standards of honesty, fidelity and fairness. Said persons should conduct themselves in a manner that merits public trust and confidence.

B. PURPOSE OF THIS POLICY.

Section 7-02 of the City Charter for the City of Mandeville provides that "All officers and employees of the city government shall comply with the provisions of the Louisiana State Code of Ethics pertaining to local government." The purpose of the Code of Conduct is to complement the Code of Ethics with a code that requires conduct over and above the strict adherence to the letter of the general law and the Louisiana State Ethics Code. To establish a set of guidelines for the behavior of the persons covered by this code which will enhance the effectiveness of city government while maintaining the high standards of quality and professionalism necessary for the city to successfully project the best image possible.

C. CITY OF MANDEVILLE CODE OF CONDUCT FOR ELECTED, UNCLASSIFIED EMPLOYEES AND APPOINTED PERSONNEL.

All persons in each category as defined by the above title shall sign a copy of this Code of Conduct thereby acknowledging that they have received a copy and understand that it is therefore their responsibility to comply with this Code of Conduct and any revisions to it as follows:

1.
