Mr. Joseph Greco, Director  
Department of Fire Services

Re: Bid No. 50-00115753 for a Two (2) year contract for a supply of Face Pieces and Components (as needed) for the Jefferson Parish Fire Department.

The above referenced bid opened on March 10, 2016. The deadline for award is April 25, 2016, which is the 45<sup>th</sup> day from bid opening. Please find attached copies of bids submitted and the bid tabulation for your review and recommendation. Once you have made a recommendation for award, please forward a copy of the blank resolution routed for placement on the Council agenda to [sduffy@jeffparish.net](mailto:sduffy@jeffparish.net) or you may fax it 504-364-2693.

Pursuant to LA R.S. 38:2215 and more specifically, Jefferson Parish regulations:

**All bids must be awarded or rejected within 45 calendar days from the date of bid opening. Therefore, if award (or rejection) will be made outside of the 45<sup>th</sup> day, then both low bidder and Jefferson Parish may mutually consent in writing to extend the deadline for award.**

You must forward a copy of this written extension to Purchasing to the email address or fax number provided above. A sample of the extension letter has been posted on the Parish Intranet – Purchasing– Purchasing Bid Forms or you may also access it in the Purchasing Public Folder in Outlook.

In the event it is deemed the best interest of Jefferson Parish to split an award among vendors, please notify me at the above contact information so that all required affidavits are obtained within the regulated amount of time allotted for each vendor to provide them.

## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
