## OUR STORY

At Maguire Iron, Inc. we believe in building a better tomorrow by providing unmatched services to deliver life-sustaining water. We do this by creating products, delivering services and partnering with communities to build and maintain the infrastructure that delivers the most important resource to live...water!

Maguire Iron is a family-owned and operated company based in Sioux Falls, South Dakota that has been in the water storage tank industry since 1915.

We offer a full spectrum of water storage tank services including new and pre-owned tanks, relocation of existing tanks, repairs and replacement parts, lead abatement services, exterior painting, interior linings (both conventional epoxy and 100% solids), service agreements, full-service maintenance programs, year around emergency services, and tank inspections by NACE certified inspectors.

We also operate a 60,000-square foot facility that includes an ASME Certified fabrication shop.

Our range of operational capability consists primarily of 23 states from the Rocky Mountains to Ohio, and North Dakota to the Gulf Coast, with occasional work in outlying states.

We employ approximately 130 full-time professional employees consisting of office staff, fabricators, welders, erectors, steelworkers, painters, inspectors and repair specialists. This includes 16 field crews performing field and site operations. We also have the expertise of an in-house engineering department, 4 SSPC C3/C5 Lead Abatement certified personnel, and National AWWA D100 Steel Tank, D101 Tank Inspection, and M42 committee members.
