Sirius Sport Light Series

Joint Lighting

THERMAL MANAGMENT
Cold forging technology with high purity aluminum improves heat management

EASY INSTALLATION
- Tool-less screw with handle
- Humanized handle design

MAINTANENCE
Hinge design driver carbine can be open easily

LEGO DESIGN LIGHT ENGINE
Play and Plug design for easy assembly and installation

BREATHING VALVE
Release pressure to prevent moisture buildup

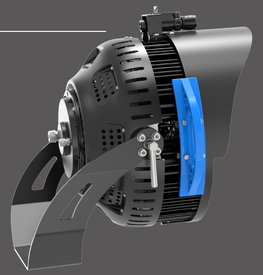

OPTICS NEMA 2/3/4/5
Advanced material with high transmittance and anti-glare design

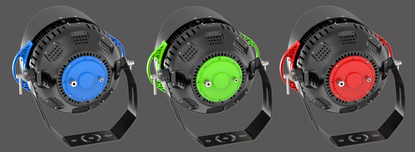

FUNCTION
Intelligent Controller

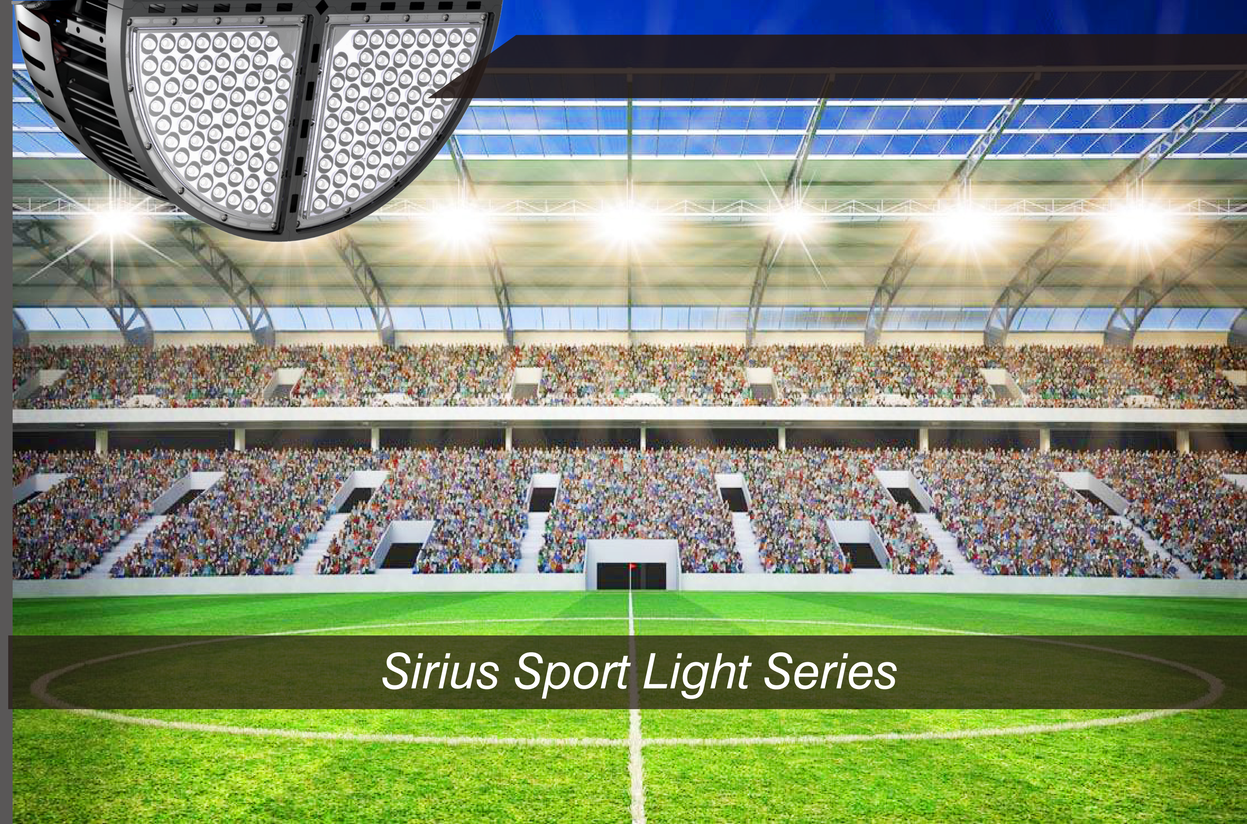

Aiming Laser

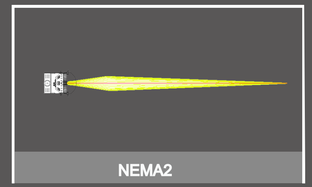

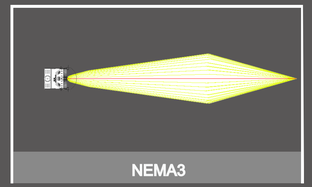

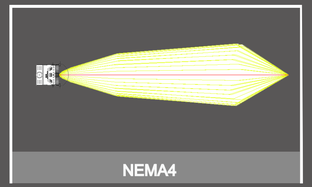

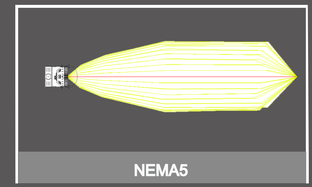

Exmple : JNT18-SLA400A-57K-2-B-Z1-D0

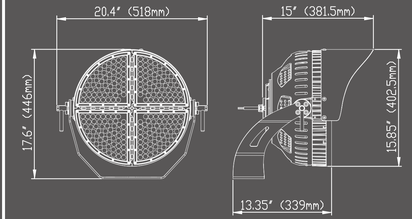

Product Series	Wattage	Voltage	CCT	Optics	Finish	Installation	Control
JNT18-SLA	300	**A** 120-277V	**40K** 4000K	**2** NEMA2	**B** Black	**Z1** Trunnion	**D0** Standard
	450	**B** 277-480V	**50K** 5000K	**3** NEMA3		**Z2** Slip Fitter	**D1** Laser
