UNDERGROUND UTILITIES: Secure Access LLC will not dig within 24" of marked underground utility lines unless asked by the client. If asked the client will assume all liabilities/costs that may result. Secure Access LLC will NOT be responsible for damage to unmarked underground lines including any irrigation, drainage, water, gas, electrical, pool equipment, cable and data lines. Repairs will be added to the final price.

PRIVATE UTILITIES: As the client, prior to Contractor arriving to work, you are responsible for locating and marking, with flags and/or spray paint private underground utilities or personal property including, but not limited to, irrigation

Notes Continued...

systems, private extensions of electric, internet, phone lines, water lines, invisible fencing wires, and/or anything not otherwise located by public utility services. Owner's failure to fulfill these obligations can result in delay. Owner shall indemnify and hold Contractor harmless from and against all claims and damages, including attorney fees, resulting in whole or in part from inadequate access, any omitted marking or otherwise incorrect marking of utilities, and/or any omitted marking or otherwise incorrect marking of property rights.

PROPERTY LINES: Under no circumstances does Secure Access LLC assume responsibility regarding accuracy of property lines. If property pins cannot be located, a survey is recommended. Any change to the original proposal, before or during installation, will result in an adjustment on the final invoice to be determined by Secure Access LLC

WOOD: ALL WOOD IS SUSCEPTIBLE TO CRACKS, SHRINKAGE, AND FADING. ALL GATES SHOULD BE OPERATED WITH CARE AND NOT ALLOWED TO SLAM SHUT. We assume no responsibility to repair any damage if operated with negligence.

PAST DUE INVOICE: Any invoice past due the agreed upon date is subject to interest charge at Secure Access LLC's discrepancy.

BY SIGNING AND ACCEPTING THIS ESTIMATE: I acknowledge I have read through and understand the previously listed statements and agree
