- 7.5' H x 7.5' W frame
- 3' x 3' cutout and hip protector
- Compression bolt design for super rigid fra
- 2" powder coated steel frame
- 1.5" thick vinyl padding
- Never flat airless wheel kit
- Heavy Duty #60 knotted net
- 2 welded gussets

Description

The Muhl Tech Pro L-Screen is our top-of-the-line protective L-screen. The 2" powder coated steel tubing frame with hip protector is heavy duty and built to last. Frame padding extends the net life, helps reduce ball ricochet and gives a tough strong look.

Large airless wheels provide the Pro L-Screen with a smooth and easy mobility for easy transportation on and off the field.

Thick #60 knotted netting slips over the frame pillow-case style for double protection. 7.5' H x 7.5' W with a 3' x 3' cutout and hip protector offers great protection and in what many coaches say is the best screen on the market, at an even better price.

New improved steel wheel covers protect the life of the wheels. The wheels are airless for trouble free usage.

The padding has been upgraded to a thicker foam padding with a durable vinyl cover.

Additional Information

The combined size and mobility of the Pro L-Screen are just two of the many aspects that coaches love and appreciate about the Pro L-Screen. With its tough construction and affordable price, many coaches have called this the best L-screen value on the market. The padded frame to protect both the net and reduce ball ricochet make this L-screen both great looking and functional. Muhl Tech quality did not fall short on this screen, and the proven durability speaks for itself.
