## 1-5/8" Ratcheting PVC Cutter

#### Directions for use:

**1** Release safety latch at bottom of handles, keeping hands away from blade.

**2** Press down on lever to spring release the blade to its fully open position. Keep hands away from blade!

**3** Position pipe between lower jaw and blade. Repeatedly squeeze and release trigger handle until pipe is fully cut.

Use IVY Classic replacement blade #19087.
